Frontend Developer

Dedicated Junior Frontend Developer with a proven track record of enhancing website performance and user engagement. I've successfully implemented responsive designs, leading to a 35% increase in mobile traffic, and developed efficient JavaScript code, reducing page load times by 30%. With a knack for creating interactive features and resolving frontend issues, I am eager to leverage my skills to contribute to a dynamic development team.

WORK EXPERIENCE

Nnewi Tech Faculty • Nnewi, Anambra State • 10/2024 - Present
